

Parent/Guardian of Robertson County Athlete:

As you are aware Covid-19, is having a significant impact on our schools and athletic seasons. This year Robertson County Lady Devil and Black Devil games will be different from years past. As of now, we are only allowed to have 15% capacity at home games, which means that we will only be able to have 210 people in the gym. This number includes players, cheerleaders, coaches, officials, and support staff.

Each ballplayer will be allowed four tickets for each home regular-season game. Cheerleaders and coaches will be allowed two. Opposing team players and coaches will be allowed 2 per person. However, any All A Classic game we host tickets will be divided equally between the two schools per participating teams' agreement.

The procedure for acquiring tickets this year will be done via the internet. There will be no tickets sold at the door. You will be able to purchase your tickets from www.ticketleap.com. Each group will have a unique passcode that their coaches will provide them to buy from the site. You will have 48 hours to purchase your allotment. Sales will end at 2:00 the day before each game. What tickets are not bought will then be opened up at 6:00 p.m. that evening for the general public.

Also available this year will be live streaming of our home games. The Robertson County Athletic Department has teamed up with the Nation Federation of High School to provide this service. If you go to <https://www.nfhsnetwork.com/schools/robertson-county-high-school-mt-olivett-ky>, You will be able to purchase a monthly or a yearly subscription to watch all home games. You will also be able to watch the Lady Devils and Black Devils on the road if the opposing team uses the streaming site. The monthly subscription fee is \$10.99 per month or \$69.99 for a year's subscription.

We appreciate your cooperation in dealing with these unique circumstances. If you have any questions, you can call Robertson County School at 606-724-5421 and ask to speak with Athletic Director Rodney Massey or Principal Aaron Massey.
